

NORTHERN HARD MAPLE SPORTS FLOORING

Maple flooring has become an industry standard in sports surfacing due to its resilient nature and attractive appearance. Robbins has a variety of maple flooring surface options to fit every budget, building design, and life cycle desired including, Continuous Strip XL and Random Length. All Robbins maple products are milled to meet or exceed strict MFMA grading standards ensuring your athletic facility or arena has the best quality hardwood surface on the market.

Continuous Strip® XL (PATENT# 5,930,967 & 6,023,900)

- The patented end jointing process in Continuous Strip XL reduces the number of end joints 75%, resulting in a stronger, more structurally sound playing surface.
- XL Maple installs faster, lays straighter, and requires less sanding at the job site.

Random Length Hardwood Flooring

- For over 100 years, Robbins MFMA commodity strip maple has provided a high quality playing surface for the sporting industry, as well as commercial & residential markets.
- The solid hard maple construction offers durability, a natural appearance, and a long lasting surface.

Additional XL Package Options:

XLplus (Precision Lineal Uniform Spacing)

XLplus "nub" provides auto spacing with washer rows

XLplus is available as a specified option on all Continuous Strip maple, this Robbins exclusive innovation virtually eliminates the need for expansion rows (washer rows) in the floor. Patent protected and visually confirmed, XLplus adds dimensional stability to the floor, eliminates the need to specify " edge-grain" maple strip, and reduces the need for unsightly, dirt catching expansion rows that can contribute to poly-ball formation.
